

Refreshing Sugar Scrub

Ingredients

2 cups brown sugar

¼ cup coconut oil

10 drops Tangerine essential oil

10 drops Spearmint essential oil

Instructions

Mix brown sugar, ¼ cup coconut oil and 10 drops of each tangerine and spearmint essential oils into a bowl.

Use scrub on body, applying in a circular motion

Store in airtight container.

This scrub is energizing, refreshing and uplifting with its fresh aroma. Make use of this scrub when you need a pick-me-up or a sense of inspiration. Both Tangerine and Spearmint can help with work or study habits as the two uplifting aroma merged together perfectly pair each-other.

*Avoid sunlight and UV rays for at least 12 hours after applying to skin.
