

DIY Dishwashing Detergent

Everyone uses dishwashing detergent, so why not make your own? This super simple recipe is great for removing grease, adding shine, and waking up your senses.

Ingredients

2 cups unscented castile soap

20 drops Lime oil

8 drops Lemon oil

6 drops Citrus Bliss®

Instructions

Fill a large, clean bottle with castile soap

Note: Dilute according to instructions if using a concentrate

Add essential oils

To use, shake and add 1–2 tablespoons to water
