

A small, dark glass bottle of dōTERRA Purify essential oil is shown against a background of light-colored, square tiles. The bottle has a black cap and a white label with the brand name 'dōTERRA' and the product name 'Purify'.

Toilet Bowl Cleaner

Purify's refreshing and herbal aroma will quickly replace unpleasant odors with a clean scent while eliminating tough odors in a natural, safe way.

Ingredients

1 cup baking soda

¼ cup citric acid

1½ tablespoon unscented castile soap

15 drops Purify Cleansing Blend

Instructions

Stir the baking soda and citric acid together until combined. Slowly stir in the castile soap and Purify. Stir until the mixture resembles wet sand.

Pack the mixture into a mould and let dry at least four hours. If the mixture expands above the mould, firmly press back down.

Once dry, remove from the mould and store in an airtight container.

To use, simply drop one into the toilet, wait until the pod stops bubbling, and scrub away!
